Christmas Comes But Once A Year

A Christmas tale of John Brown's ghastly family (suburban snobs), Captain Bonaventure de Camp and his equally awful brood (a dubious crew), and poor Soavo Spohf, organist of St. Stiff the Martyr, gifted in musical ability but not blessed in looks or love.

No-one could call this a great work of literature, but it definitely raises a few chuckles and it also offers a fascinating glimpse into Christmas festivities and social mores in well-to-do households in the mid-19th century. (Introduction by Ruth Golding)
